

# ELDERS DESERVE TO BE HEARD!

## Native Urban Elders Needs Assessment Survey

### What is NUNAS 1.0?

The Coalition on Urban Indian Aging (CoUIA) partner organizations developed NUNAS 1.0 to learn what 55+ Urban Indian Elders need to improve health equity and quality of life.

The survey is open through the end of 2021. UIOs will receive funding to provide honorariums to Elder participants.

The survey data is confidential and will be provided as anonymous aggregate data at the local, state, and national levels.

## WHAT IS THE IMPACT TO MY LIFE?

Urban Indian Elders 55+ are severely underrepresented and lack hard data for advocacy. This survey will provide the data needed to advocate for increased funding and support.

Data areas include:

Healthcare Infrastructure Transportation  
and much more!
